

# Theory of Change:

Situation:

Stakeholder Needs:

WILL BE MET BECAUSE...

**Impact:**

What impact do you see as your goal?

**Outcomes:**

What are the necessary changes that need to happen to achieve the desired impact?

**Outputs:**

What do you need to get done as a result of your activities? (events, products, campaigns)

**Activities:**

What do you need to do to produce the necessary outputs?

**Inputs:**

What resources do you need to organise activities?

WILL HAPPEN BECAUSE...

WILL HAPPEN BECAUSE...

WILL HAPPEN BECAUSE...

WILL HAPPEN BECAUSE...

**Preconditions:**

What needs to happen or be in place before you can achieve your goals and enable positive change?
